**PETITION TO FILE AN APPLICATION BY OTHER THAN ALL THE INVENTORS  
WHEN ONE OF THE JOINT INVENTORS CANNOT BE REACHED  
[37 C.F.R. § 1.47(a) / MPEP § 409.03(a)]**

This document is a petition to file the above-identified patent application by other than all the inventors on behalf of the available inventors and on behalf of a joint inventor who cannot be reached after diligent effort. This petition is submitted pursuant to 37 C.F.R. § 1.47(a) and MPEP § 409.03(a).

Accordingly, the applicants have taken the appropriate steps to comply with the procedures set forth in the MPEP. The steps taken are:

1. This petition is made with the accompanying fee as set forth in 37 CFR 1.17(h).
2. Attached to this petition are declarations signed by the three available inventors, Alex Henderson, Laxminarayana Tumuluru, and Richard Trauben, with the signature block of the unavailable inventor, Monis Rahman, left blank, indicating that the available inventors are

signing the declaration on behalf of themselves and on behalf of the unavailable inventor, as stated in MPEP § 409.03(a)(A).

3. Attached to this petition is proof of the pertinent facts stated in this petition that show the inventor Monis Rahman cannot be reached after diligent effort.

4. The last known address of Monis Rahman is:

93 Rockledge Drive

South Windsor, CT 06074

## **DISCUSSION OF PERTINENT FACTS**

The present application was filed on August 8, 2003 after review and approval from all of the inventors. Attached is an email dated August 8, 2003 from inventor Monis Rahman to the drafting attorney Kerry Tweet indicating that Monis Rahman had reviewed the application and approved filing the application.

On September 16, 2003, upon a request from Angie Farr, legal assistant to Kerry Tweet, Monis Rahman provided his residence address and cellular phone number (see attached email). Monis Rahman also indicated in that email that he would be out of the United States for the next four months and provided a mailing address in Pakistan.

Numerous attempts to reach Monis Rahman have been made since September 16, 2003 and have failed to yield any response from Monis Rahman. Attached are several emails to Monis Rahman inquiring about the declaration papers: Angie Farr sent Monis Rahman an email on December 11, 2003 with an attachment of the declaration papers to the last known email address for Monis Rahman and asked Monis Rahman to respond by January 6, 2004. Monis Rahman did not respond to this email. Legal assistant Tammy Simpson sent Monis Rahman an email on January 27, 2004 inquiring about the declaration papers. Monis Rahman did not respond to this email.

Attorney Greg Caldwell sent Monis Rahman an email on February 10, 2004 asking for Monis's signature on the declaration papers to avoid abandonment of the patent application. This email bounced back to Greg Caldwell (see attached email). Greg Caldwell also tried to call Monis Rahman at his last known cellular telephone number, 011.92300.843.1244, and was unsuccessful in reaching Monis Rahman. Greg Caldwell then sent a letter on February 10, 2004 to Monis Rahman with the declaration papers asking Monis to respond by March 6, 2004 to

avoid abandonment of the patent application (see attached letter). This letter was mailed via FedEx to two addresses: Monis Rahman's last known United States residence address at 93 Rockledge Drive, South Windsor, CT 06074, and Monis Rahman's last known address in Pakistan at 110-B New Muslim Town, Lahore, Pakistan. Attached are the FedEx records indicating that the letter to Monis's Connecticut address was delivered and signed for on February 12, 2004, and the letter to Monis's Pakistan address was delivered and signed for on February 14, 2004. However, we have yet to receive a response of any kind from Monis Rahman to these communications.

### **Conclusion**

Based on the foregoing facts and attached evidence, the Applicants respectfully request that this Petition to File the Patent Applicant by Other Than All the Inventors be granted. The petition fee is included herewith.

If there are any additional charges, please charge them to our Deposit Account Number 02-2666. It is respectfully requested that the undersigned be contacted by telephone if it is believed that such contact would facilitate the processing of this petition or further the examination of the present application.

Respectfully submitted,

Hi Kerry,

It looks fine to me. Went through it. No biggies from my side.  
Are you filing any of the other fast-chip provisionals or just  
this one?

Hi Monis: I am a patent attorney at Blakely, Sokoloff, Taylor & Zafman, a law firm that represents Intel. You may recall working with Kerry Tweet, one of our former associates now with Intel, on drafting a patent application entitled "Tree Data Structure with Range Specifying Keys and Associated Methods and Apparatus", our docket number P17124. We have filed the patent application with the US Patent and Trademark office, and now we urgently need to obtain your signature on a power of attorney document so that our firm can communicate with the US patent and trademark office on your behalf. At the same time, we would appreciate obtaining your signature on an assignment document, assigning your rights in the patent application to Intel. Our nonextendable deadline for providing these signed documents to the US patent office is March 6, 2004. The patent application will be abandoned thereafter for failure to provide these documents to the US patent office.

We understand that as of the middle of September, 2003, you were planning to be out of the country for approximately 4 months. Attempts to reach you since then via this email address have been unsuccessful. In addition, I attempted today to call you on the cell phone number you provided, 011.92300.843.1244. Have you returned to the US? Are you available and willing to execute these documents, and if so, to which address should we send the documents? We have an address in Pakistan as well as Connecticut, but do not know where you are at present. If I do not hear back from you by the end of the week, we will send copies of the documents for which we need your signature to both the Pakistan address and the Connecticut address.

I would very much appreciate receiving a response to this email. If you have any questions or concerns, please do not hesitate to contact me. I would be pleased to hear from you. Best regards, Greg
